### Comments:

Several Compliments to Local Youth Directors, Coaches and State Directors for a great job!

Would like the Web Site to be more user friendly

Division 1&2 should be able to decide if they bowl 3 or 6 games

Several said better communication with Youth Directors and Coaches not associations

Organizations that run brackets taking out too much money

Send more emails---Send more thru US Postal Service

Confirmations need to be sent out for Pepsi

Need better information as we did not know our bowler was bowling 6 games

Why do Div 3&4 switch lanes every game?

Put less bowlers on a lane

Promote ALL tournaments not just local ones

If you have dress code enforce it

USBC Youth shirts lightweight hard to put patches on

Bigger sized shirts so larger bowlers can have a shirt like others

Get more recognition on small town youth bowlers

Need an easier way to get coaching certification..not just the internet

It is hard to access Scholarship account.

More tournaments in GJ, more centrally located
